**GENERAL SERVICES ADMINISTRATION
FEDERAL SUPPLY SERVICE
AUTHORIZED FEDERAL SUPPLY SCHEDULE PRICE LIST**

On-line access to contract ordering information, terms and conditions, up-to-date pricing, and the option to create an electronic delivery order are available through GSA Advantage!®, a menu-driven database system. The INTERNET address GSA Advantage!® is: GSAAdvantage.gov. For more information on ordering from Federal Supply Schedules click on the FSS Schedules button at fss.gsa.gov.

Schedule Title: Consolidated Multiple Award Schedule (MAS)

FSC/PSC Codes:
R425

Contract Number:
47QRAA18D00A1

Contract Period:
May 31, 2018 through May 30, 2023

MORSECORP, Inc.

1 Main St, Suite 510
Cambridge, MA 02142-1531
Phone: 617-314-7509
Website: www.morsecorp.com

POC For Contract Administration: Joshua Torgerson
Email: jtorgerson@morsecorp.com

Business Size: Small

CUSTOMER INFORMATION

1. Table of awarded SIN

1a. Table of awarded special item numbers with appropriate cross-reference to item descriptions and awarded prices.

541715: Engineering Research and Development and Strategic Planning

541330ENG: Engineering Services

541420: Engineering System Design and Integration Services

541380: Testing Laboratories

1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract.

See Pricelist for Awarded Prices

2. Maximum order

\$1,000,000

3. Minimum order

\$100

4. Geographic coverage

Domestic Only - 48 States, DC

5. Point of production

MORSECORP, Inc.

1 Main St, Suite 510

Cambridge, MA 02142-1531

6. Discount from list prices or statement of net price

Prices listed are NET.

7. Quantity discounts

No quantity or volume discounts

8. Prompt payment terms

Net 30 days.

Information for Ordering Offices: Prompt payment terms cannot be negotiated out of the contractual agreement in exchange for other concessions.

9. Purchase cards acceptance

9a. Notification that Government purchase cards are accepted at or below the micro-purchase threshold.

Government purchase cards are accepted at or below the micro-purchase threshold.

9b. Notification whether Government purchase cards are accepted or not accepted above the micro-purchase threshold.

Government purchase cards are accepted above the micro-purchase threshold.

10. Foreign items

None

11. Delivery

11a. Time of delivery.

As Negotiated

11b. Expedited Delivery.

Contact MORSECORP, Inc. for expedited delivery.

11c. Overnight and 2-day delivery.

Contact MORSECORP, Inc. for overnight and 2-day delivery.

11d. Urgent Requirements.

When the Federal Supply Schedule contract delivery period does not meet the bona fide urgent delivery requirements of an ordering agency, agencies are encouraged, if time permits, to contact the Contractor for the purpose of obtaining accelerated delivery. The Contractor shall reply to the inquiry within 3 workdays after receipt. (Telephonic replies shall be confirmed by the Contractor in writing.) If the Contractor offers an accelerated delivery time acceptable to the ordering agency, any order(s) placed pursuant to the agreed upon accelerated delivery time frame shall be delivered within this shorter delivery time and in accordance with all other terms and conditions of the contract.

12. F.O.B. point

Destination

13a. Ordering address

MORSECORP, Inc.

1 Main St, Suite 510

Cambridge, MA 02142-1531

13b. Ordering procedures

For supplies and services, the ordering procedures, information on Blanket Purchase Agreements (BPA's) are found in Federal Acquisition Regulation (FAR) 8.405-3.

14. Payment address

MORSECORP, Inc.

1 Main St, Suite 510

Cambridge, MA 02142-1531

15. Warranty provision

Not Applicable

16. Export packing charges

Not Applicable

17. Terms and conditions of Government purchase card acceptance

None

18. Terms and conditions of rental, maintenance, and repair (if applicable)

Not Applicable

19. Terms and conditions of installation

Not Applicable

20. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices

Not Applicable

20a. Terms and conditions for any other services.

Not Applicable

21. List of service and distribution points

Not Applicable

22. List of participating dealers

Not Applicable

23. Preventive maintenance

Not Applicable

24a. Special attributes such as environmental attributes

None

24b. Section 508 compliance information is available on Electronic and Information Technology (EIT) supplies and services and show where full details can be found (e.g. contractor's website or other location.)

The EIT standards can be found at: www.Section508.gov/.

25. Data Universal Number System (DUNS) number

079575595

26. Notification regarding registration in System for Award Management (SAM) database

Registered- CAGE Code: 78X46

LABOR CATEGORY DESCRIPTIONS

Experience can be substituted for education or education for experience according to the following guidelines:

- A bachelor of science (BS) degree plus four years of experience is the equivalent of a master of science (MS) degree
- A MS degree plus two years of experience is the equivalent of a doctorate degree (PhD)
- Experience may not be substituted for a BS degree

Analyst I

Functional Responsibility:

Under direct supervision, assists in providing analysis, guidance, and insight into the technical disciplines in use in support of higher-level analysts and engineers. Assists with studies, assessments, and analysis to determine and enhance system performance and effectiveness. Supports the data management process during discipline-specific planning and design phases.

Minimum Education:

BS degree in a relevant scientific or technical discipline.

Minimum General Experience:

0 years

Analyst III

Functional Responsibility:

Serves as a technical resource on a task. Provides analysis, guidance, and insight into the technical disciplines in use to determine and enhance system performance and effectiveness. Supports the transformation of overall requirements to a discipline-specific plans and design.

Minimum Education:

BS degree in a relevant scientific or technical discipline.

Minimum General Experience:

4 years

Analyst IV

Functional Responsibility:

Serves as a technical resource on a task or tasks. Provides analysis, guidance, and insight into the technical disciplines in use. Conducts studies and assessments to enhance system performance and effectiveness. Designs and implements overall requirements to discipline-specific plans for complex operations and system development. Ensures the quality of the project.

Minimum Education:

BS degree in a relevant scientific or technical discipline.

Minimum General Experience:

6 years

Engineer II

Functional Responsibility:

Serves as an engineering resource on a task. As part of a team, contributes analysis, guidance, and insight into the engineering discipline in use. Performs basic engineering functions and carries out assignments from more senior project staff.

Minimum Education:

BS degree in a relevant engineering discipline.

Minimum General Experience:

2 years

Engineer III

Functional Responsibility:

Serves as an engineering resource on a task. Provides analysis, guidance, and insight into the engineering discipline in use. Performs engineering design, systems integration, engineering change/configuration evaluation and implementation, and test and evaluation.

Minimum Education:

BS degree in a relevant engineering discipline.

Minimum General Experience:

4 years

Engineer IV

Functional Responsibility:

Serves as an engineering resource on a task or tasks. Provides analysis, guidance, and insight into the engineering disciplines in use. Performs design work to transform system requirements and specifications into a complete system design. Analyzes operational requirements to support system integration. Prepares and implements change/configuration in support of engineering systems performance. Provides guidance to project engineers and analysts.

Minimum Education:

BS degree in a relevant engineering discipline.

Minimum General Experience:

6 years

Engineer V

Functional Responsibility:

Serves as a senior engineering resource on a task. Executes advanced engineering activities within a project. Provides analysis, guidance, & insight into the engineering disciplines in use. Performs design and technical solutions implementation. Performs detailed and complex engineering tasks including assessment of advanced system concepts and specifications. Directs advanced engineering activities to address complex discipline-specific problems. Prepares, implements, validates and/or follows cost estimates for engineering systems.

Minimum Education:

MS degree in a relevant engineering discipline.

Minimum General Experience:

6 years

Manager II

Functional Responsibility:

Manages complex tasks & staff performing engineering, technical, or scientific activities. Manages resources and activities or defines technical approaches on project. Tracks cost, time and schedule performance in support of project. Monitors adherence to costs, time and scheduling milestone achievement during project performance. May also serve as a technical resource on a task.

Minimum Education:

MS degree in management, business, or relevant engineering, scientific, or technical discipline.

Minimum General Experience:

4 years

Manager III

Functional Responsibility:

Manages multiple or large complex tasks and staff performing a variety of engineering, technical, or scientific activities. May also serve as a senior technical resource on task. Manages resources and activities or defines technical approaches to be by project staff. Responsible for the cost, schedule, and technical performance from project inception through project completion. Manages project staff and provides direction during project performance. Develops and monitors project including cost, time and scheduling estimates. Ensures project outputs and milestones are delivered on schedule and within funding. Monitors adherence to project plan and schedule. Works with Project Engineers to identify and define project problems, obtains solutions, and resolve issues. May also serve as a technical resource on a task.

Minimum Education:

MS degree in management, business, or relevant engineering, scientific, or technical discipline.

Minimum General Experience:

6 years

GSA AWARDED PRICING

Labor Category	Year 1 05/31/2018 – 05/30/2019	Year 2 05/31/2019 – 05/30/2020	Year 3 05/31/2020 – 05/30/2021	Year 4 05/31/2021 – 05/30/2022	Year 5 05/31/2022 – 05/30/2023
Analyst I	\$81.22	\$83.66	\$86.17	\$88.75	\$91.41

Manager III	\$180.71	\$186.13	\$191.71	\$197.46	\$203.39

The Service Contract Act (SCA) is applicable to this contract as it applies to the entire Professional Services Schedule and all services provided. While no specific labor categories/services have been identified as being subject to SCA due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29 CFR 541.300), this contract still maintains the provisions and protections for SCA eligible labor categories. If and / or when the contractor adds SCA labor categories / employees to the contract through the modification process, the contractor must inform the Contracting Officer and establish a SCA matrix identifying the GSA labor category titles, the occupational code, SCA labor category titles and the applicable WD number. Failure to do so may result in cancellation of the contract.
